Dear Sir:

The present application is a divisional of U.S. Application No 09/178,196 filed October 23, 1998, and claims priority benefit under 35 U.S.C. § 120 therefrom. During the prosecution of U.S. Application No 09/178,196, Applicant elected to prosecute Claims 1–16 (Group I) in response to a six-way restriction requirement issued by the Examiner. Claims 10 and 11 of the present application correspond to Claims 17–18 of U.S. Application No 09/178,196, which were drawn to a non-elected group (Group II) relating to moving data within memory by updating cache tag information. New Claims 1–10 and 12–67 of the present application have also been added to recite additional features disclosed in the specification.

Thus, the present application is believed to be in condition for allowance, and such allowance is respectfully requested. If further issues remain, the Examiner is cordially invited to contact the undersigned such that any remaining issues may be promptly resolved.
